

# Access and Affordability of Healthcare

FOCUS ON INCREASING DENTAL CARE AND IMPROVING ACCESS TO AFFORDABLE HEALTH INSURANCE FOR VULNERABLE POPULATIONS

## COMMUNITY HEALTH SURVEY

Residents identified access as the #3 strength of the county. However, uninsured, low-income, and underserved peoples have difficulty affording healthcare..

## #4 Health Priority in Williamson County

“BIG DISTINCTION BETWEEN INSURANCE AND HEALTH CARE. AND EVERYTHING NOWADAYS IS INSURANCE, INSURANCE, INSURANCE WHEN THE FOCUS SHOULD BE ON HEALTHCARE. -COMMUNITY RESIDENT”
